## GENERAL ELECTION 1983

### INTRODUCTION

His Excellency the Governor General, by Proclamation No. 3/83 dated 25th November, 1983, and published in the Gazette on the 26th of November, 1983, dissolved Parliament as from the 28th of November, 1983, and by Proclamation No. 4/83 dated 26th November, 1983, and published in the Gazette of the 26th of November, 1983, appointed the 15th of December, 1983, as the day upon which the poll for a general election of Members of the House of Representatives should be held. Writs of election for the sixty constituencies in which the Island is divided were accordingly issued on the 26th of November, 1983, for the holding of the poll on the 15th of December, 1983.

By Representation of the People (Appointment of Nomination Day) Notice, L.N. 139 of 1983, dated the 26th of November, 1983, the Minister responsible for electoral affairs appointed the 29th of November, 1983, as Nomination Day.

### Nomination Day

The Peoples National Party announced that they would not nominate candidates to contest any of the seats in the election. This resulted in nominations being received from one candidate only in each of fifty-four (54) constituencies; these candidates were therefore elected unopposed. Grants of Poll were published in the remaining six (6) constituencies.

### Official List of Electors

The Official List of Electors used for the Election were those prepared in accordance with the Representation of the People Act and published during the period 10th-13th October, 1980, and given validity to May, 1981, Representation of the People (Validity of Official Lists of Electors) Notice 1980, L.N. 140 of 1980, and from 1st June, 1981 to 31st October, 1982 Representation of the People (Validity of Official Lists of Electors) Act 1981 and Representation of the People (Validity of Official Lists of Electors) Act, 1981, (Extension of duration) Notice, L.N. 131 of 1981 and from 1st November, 1982 by the Representation of the People (Validity of Official Lists of Electors) Act 1983.

### Pre-election Arrangements

The Director of Elections, Assistant Director (Field Operations) and Field Officers conducted instruction classes for all Returning Officers and Election Clerks throughout the country.

Returning Officers for the six (6) constituencies for which Grants of Poll were issued, guided by the written instructions issued by the Director of Elections to be used by Presiding Officers and Poll Clerks, held classes for the training of Presiding Officers and Poll Clerks in their respective constituencies.

The selection of Presiding Officers and Poll Clerks for the constituency of Kingston West Central proved to be a very difficult exercise. Most of the experienced persons in the constituency who worked in previous elections were unwilling to offer their services for this election. Because of this, the Returning Officer had to recruit officers from adjoining constituencies which created a number of problems. There were numerous dropouts leading up to election day and many of the replacements did not receive the level of training which the Electoral Office is usually able to carry out. The selection of polling stations in this constituency also proved a difficult exercise.

### Police and Military

Police and Military voters voted on 11th December, 1983.

### Election Day

Voting took place in the six (6) constituencies which had a total of 90,019 electors from the overall total of 990,586. Analysis of the 26,543 votes cast is set out below:

General Observation

The election was run on modified constituency boundaries following a recommendation of the Parliamentary Committee which sat in November, 1981. Writs of the election were issued on Saturday 26th November, 1983, with Nomination Day set for Tuesday 29th November, 1983. This gave the Electoral Office one working day to complete arrangements for the holding of Nomination Day. This created severe pressure on the administration.

There was one election petition which arose from the election in the constituency of Kingston West Central. The election petition brought by Mr. Keith Webster was dismissed by the Chief Justice.
